Components:

| Part SKU | Quantity | Item Name |
|---------------------|----------|---|
| F-SS-LJR6 | 2 | Sterling Silver Locking Jump Ring, 18ga, 6mm |
| F-SS-CHROL25 | 1 | 2.5mm .925 Sterling Silver Rolo Chain Per Foot |
| F-SS-HP224BE | 2 | 2 Inch Sterling Silver Headpin 24ga, Ball End |
| F-SS-OR25WSH-FLCOIL | 2 | Sterling Silver Earwires Short Flat w/Coil, Per Piece |
| H-10-G9 | 2 | Ruby 24kt Gold Foil Hearts 10mm Murano Glass Bead |
| H-10-S1 | 2 | Silver Foil Hearts 10mm Murano Glass Bead |
| H-10-S11 | 2 | Cobalt Foil Hearts 10mm Murano Glass Bead |

Step 1. Cut the chain: 2 pieces 1 ½ inch long, 2 pieces 1 inch long, 2 pieces ½ inch long (so 1 foot will be enough)

Step 2. Insert the headpin through the Red Heart and make a loop for wire wrapping. Insert one end of the longest piece of chain into the open loop and complete the wire wrap.

Step 3. Do the same with the 2nd piece of chain using the Crystal Silver Heart

Step 4. Do the same with the shortest piece of chain using the Cobalt Blue Heart

Step 5. Open the locking jump ring and thread through the ends of the chain, Red, White, Blue. Close the jump ring securely. Gently twist the jump ring back and forth to harden the wire and keep it closed. You could put directly onto the earwire, but they swing better on the jump ring.

Step 6. Open the loop on the earwire and insert the assembled earring, closing securely

Step 7. Repeat with the second earring.
