

Aqua and Green Transparent Murano Glass Bracelet

This is a super easy bracelet. Make it for Mom and one for you.

Use this design with any of our other colors. This makes an approximately 7 3/4 inch bracelet.

SKILL: Stringing/Crimping

Tools:

Side Cutter, & Crimp Tool, Flat Nose Pliers

Want it Longer or Shorter?

If you need more length, add beads near the closure to maintain the symmetry.

RN-12-4COL-GS36	4	Murano Glass Bead, 4 Colors Round 12mm, Green, Aqua Silver and Gold Foil
SCH-RN-06-6	2	Transparent Aqua Blue Murano Glass Round Bead, 6mm

Instructions:

Step 1. Cut a piece of wire approximately 10-12 inches long. To be sure the beads don't slide off, you can use scotch tape or we use Beadalon Bead Stoppers. They can be reused on all your projects.

Venetian Bead Shop **Aqua and Green Transparent Murano Glass Bracelet**

Step 2. With this design I like to start from the middle out. Begin with the center Oval bicolor bead and work outward adding the beadcaps on each side of the beads.

Step 4. Add the 6mm round at the end.

Step 5. Check the length. We use a bracelet gauge, but you can try on your arm, just be sure you have the ends secured. See the pictures below.

Step 6. If the length is good, then you will 1) insert the wire through the crimp tube (2) around the wire protector and (3) insert the clasp in the center of the wire protector (4) insert the loose end of the wire back through the crimp tube, leaving a small section which will go back through the curved tube.

Step 7 Crimp the crimp tube.

Step 8 Do the same for the other side, using the closed jump ring.

Step 9 Take the jump ring, and open it using two pair of pliers add the MOM heart to the jump ring and insert the open jump ring through the loop of the wire protector and then close the jump ring.

If you need to lengthen add more of the 6mm beads which will add about ½ inch to the bracelet. Alternatively if you need to cut the length by about ½ inch by deleting the 6mm beads.
