

Pink Awareness Bracelet with Calcedonia

Design by Amy Margaret Kapphan for VBS

Make this bracelet with simple stringing techniques and 2 wire crimps.

Use this design with any of our other colors. This makes an approximately 7.5 inch bracelet.

SKILL: Stringing/Crimping

Tools:

Side Cutter, & Crimp Tool

Materials: Stringing Wire, 019 or 024

Want it Longer or Shorter?

If you need more length, add additional beads on each side of the closure remember to add additional heishi for each bead. If you need to shorten, start by omitting the last glass bead.

Instructions:

- Step 1.** Cut a piece of wire approximately 10-12 inches long. To be sure the beads don't slide off, you can use scotch tape or we use Beadalon Bead Stoppers. They can be reused on all your projects.
- Step 2.** If you use a design board, you can lay the beads in the tray. Then begin on one side, beginning by first attaching one side of the toggle clasp. To do this, slide on 1 Crimp Tube, add the toggle and take the wire back through the crimp tube. Crimp the tube and I like to take the loose end through my first bead as it just lays better.
- Step 3.** Add 1 Heishi Spacer Bead, followed by the Aventurina Bead and the Rubino Silver Foil, adding a heishi between each bead followed by the Calcedonia Rubino Bead, continue the pattern ending with a heishi. Add the Awareness Ribbon, and the last heish.
- Step 4.** Follow the instructions in Step 2 to attach the other side of the toggle clasp.
- Step 5.** Put the crimp cover over the crimped tube and close for both sides of the bracelet.
