

Black Reticello Murano Glass Necklace 19 Inch

Design by VBS

We used our Black Reticello and Sole Beads to create a night on the town necklace.

The necklace as shown is approximately 21 Inches.

SCH-RN-12-16	2	Solid Black 12mm Murano Glass Beads
SOLE-RN-12-G1610	8	Black and Steel Sole Swirl 12mm 24kt Gold Foil Exposed, Murano Glass Bead

Instructions:

Step 1. Cut a length about 26-30 inches of the wire.

Black Reticello Murano Glass Necklace 19 Inch

Step 2. It is a symmetrical design alternating the Sole Rounds with the Gold Foil Rounds. So if you start in the center you can work both ways. Because the center tube is large, we added a 6mm Gold Rondelle before the 8mm Rondelle to make it more flexible.

Step 3. To finish follow the quantities shown below then proceed to follow the instructions for the wire protector and crimp bead. Send the wire back through the first 6mm Round and clip the wire.

Want to Shorten or Lengthen?

To lengthen, the easy way is to keep adding the 6mm Black Rounds and the 6mm Gold Rondelles, or take them out to shorten.

See Images Below for attaching the wire protector and crimp tube.
