**Instructions:**

**Step 1.** Cut the rolo chain and attach the clasp with 2 of the jump rings (one for each end of the bracelet/clasp). .

**Step 2.** Assemble the Christmas Trees – Assemble on one of the headpins in the order shown below, then finish by wire wrapping with the loop at the top directly to the bracelet spacing them evenly with the Crystal Vitral tree being in the center and again on each end of the bracelet by the clasp. The 2 larger Green trees are to either side of the center charm (beside the TierraCast Charms. . (We use wire wrapping because it’s more secure and will not catch clothing.)
