Tierra Cast Bows and Bells Earrings

TierraCast design by Tracy Gonzales

This design is by Tracy Gonzales Of TierraCast. We modified it slightly to work with our Sterling Silver Earwires and Gold Fill Earwires plus we liked a larger Swarovski Crystal

SKILL LEVEL: Beginner

Tools:

Side Cutter
Wire Wrapping Pliers
Needle Nose Pliers

NOTE: If you have 20 gauge wire in your beading box or if you have a 3 inch eye pen, you could use that in place of the headpin on the components list.

NOTE: We are giving you the components for both a Silver Design and a Gold Design. Both are assembled the same. Components for Gold are at the end of the document.
