

Golden Angel in a Teardrop Earrings

Make your own Holiday Earrings. .

These are just perfect for the holiday season or for anyone who loves angels. When we saw the new TierraCast® Teardrop Frames we knew it would make fabulous earrings.

It could also be used as a pendant by changing using a bail instead of earwires earwires.

Step 1: Assemble the Angle by inserting the headpin through the triangle, adding the wings, the 5mm crystal and the rondelle, followed by the 2mm Round (which helps stabilize the angel for wire wrapping).

Golden Angel in a Teardrop Earrings

Step 2. Using your wire wrapping pliers, create the loop for the wire wrap. (See our Wire Wrapping Tutorial if you need assistance).

Step 3. Slide the loop on the TierraCast TearDrop Frame into your loop and turn to the side to complete your wire wrap.

Step 4. Open the earwires and put on to the teardrop frame.

If you want to make a pendant, instead of the earwire, use a bail, you may need to wirewrap to the bail, depending on your choice of bails.
