Instructions: This is a multi step process.

Step 1. Using the 3 Inch Headpin, insert 1 Sterling Silver Spacer Bead, the focal bead and wire wrap making a $\frac{1}{4}$ inch loop to which you will add the twists.

Step 2 Using the 1 1/2 Inch Ball End Head Pins, wire wrap the four Alessandrite Baby Leaves on the loop at the top of the Heart. Clip Off Excess.

Step 3 Insert the Eye Pin through the 8mm Alessandrite Round and wire wrap. (Or you can use a length of wire, or cut off the head of a longer headpin.)

Step 4 Open the Eye Pin loop and insert the loop of the heart.

Step 5 Open the loop on the bail and insert the loop of the 8mm and close the bail loop.
