SCH-ROND-11X7-T19	6	Murano Glass Bead, Rondel, 11x7mm Transparent Pink Rubino

Instructions:

Step 1. Cut a piece of beading wire 12-15 inches. Follow the pattern above beginning with the Round 4mm Gold Fill Bead, add the 5mm Bead Cap on either side of each bead ending with the 4mm Gold Bead.

Step 2. Add one Twisted Crimp and string the beading wire through the Wire protector, adding one side of the toggle in the center. Take the wire back through the crimp. Push the crimp snugly up to the wire protector and crimp flat. Cut the excess wire.

Step 3. Do the same on the other end of your wire. Cut the excess wire.
