

Easy Snap In Pendant Aqua Gold Foil

Sometimes the simplest design is the best.

Make a matching Pendant for our Easy Earrings. Make it in minutes.

The only tools you need are 2 pair of long nose pliers to open and close the jump ring.

They almost make themselves.

We used our Gold Foil Round 14mm

Tools:

Long Nose Pliers

Skill: NONE

Supplies: Glue We like to use a little dab of glue to be sure the beads stay on the twist form.

Components

Part SKU	Quantity	Item Name
F-BM-EARW-GP	1	Gold Plated Base Metal Earring Frame - Pair
F-GF-JRO-5	1	5mm Gold Filled Jump Ring Open. Per Piece
RN-14-G6L	1	Light Aqua 14mm Gold Foil Round

Instructions:

- Step 1** Gently open the twist and insert the pins on either side of the twist into the holes of the bead.
- Step 2** Twisting the jumpring with the pliers open it wide enough to insert the assembled twist frame.
- Step 3** And then through the loop on the bail.
- Step 4.** Close the jump ring twisting back and forth for a secure closing.
