Instructions:

Step 1. Cut a length of wire about 3 inches longer than the bracelet.

Step 2 Begin by attaching one side of the clasp to the bracelet. Thread the wire through the crimp tube, around the wire protector and insert the clasp into the center of the wire protector. Then thread the wire back through the crimp tube. Slide the crimp tube and wire protector snugly to the clasp and securely close the crimp tube with the flat nose pliers. Cut the loose end of the wire after adding the first beads.

Step 3. Follow the picture alternating the rectangles and the Swarovski crystals as shown..

Step 4. Finish the bracelet by following the directions in Step 2 to attach the opposite side of the clasp. Cut the loose end of the wire.
