7. Add (1) Bead Ca[
8. Add (1) 8mm Round
9. Repea5 2 & 3  
followed by an Oval

Alternating  
Purple Oval

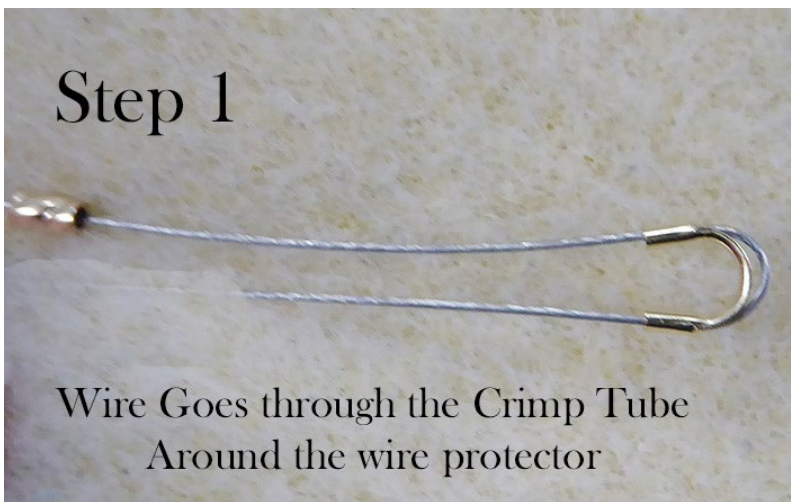

## 24" Purple and Green Oval Necklace

Use the instructions in the images below to complete the ends of the necklace and how to use the wire protectors and crimps.

See Images Below for attaching the wire protector and crimp tube.

1<sup>ST</sup> Slide the Crimp Tube onto the wire  
Then feed the wire through the wire protector as shown

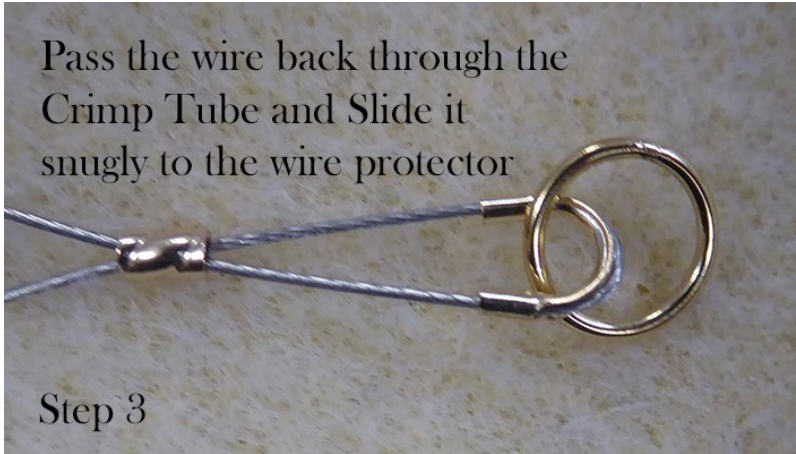

2<sup>nd</sup> Slide the Ring or the Ring of the Clasp into the center

3<sup>rd</sup> Feed the wire back through the crimp tube. Pull the wire snugly before crimping the tube.

## 24" Purple and Green Oval Necklace

4<sup>th</sup> Do the same for the other end of your jewelry.

**Optional:**

The Gondola. Should you choose to use, use a 6mm Open Jump Ring to attach to the end of the chain.  
For the Chain: use 2 inches of chain.
