Spring Dangle Necklace

- 1 F-SF-BSM-RN-8 Silver Filled Smooth Round Seamless Bead, 8mm
- 14 F-SS-HP1524BE, . 1 1/2 Inch Sterling Silver Headpin 24ga, Ball End

Instructions:

Begin by cutting a 3 inch length of the chain, or using chain that you have left over from another project. Take the locking jump ring and attach your section of chain to the Toggle Clasp Ring. This gives you a way to hold the piece while you are working.

Decide how you would like to position the various colors.

Using the headpin with the ball end, insert into your small round beads and attach to the chain, being sure to use a 6mm at both ends.

Alternatives:

If you do not want to use the tag, we do and stamp our logo on the little tag, but it is not necessary. You may purchase an already made necklace and simply attach to the pendant.

If you prefer gold foil, you just need an assortment of

- 4 6mm Beads
- 6 8mm Beads
- 1 10mm Bead
- 3 12mm Beads
- 1 8mm Gold Foil Round
