

Swarovski Turquoise Pearl Earrings

Design by Amy Kapphan exclusively for Venetian Bead Shop,.

These earrings take two contrasting colors of Swarovski Crystal Pearls and make a great summer design.

SKILL LEVEL: Beginner

Tools:

- 1 Side Cutter
- 1 Wire Wrapping Pliers

If wire wrapping is not your strong point, you can use simple wire loops, just use a slightly heavier gauge of wire so it won't deform.

Instructions:

- Step 1.** Wire Wrap the 3mm Swarovski Crystal Pearls using the 1 inch headpins, a total of 20 pieces. .
- Step 2** Wire Wrap the 10mm Turquoise Swarovski Crystal Pearls using the 2 Inch Headpin, 2 pieces total
- Step 3** Open the 10mm Jump Ring and add 5 of the 3mm Pearls followed by the 10mm pearl and then the other 5 3mm pearls.
- Step 4.** Add the EarWire at the top as seen here.
- Step 5.** Close the Jump Ring using a back and forth movement to securely fasten the jump Ring.
- Step 6.** Repeat for the other earring.

ALTERNATIVE:

Use any 10-12mm ring you cut from chain which is sturdy and is a closed ring. Then instead of wirewrapping and setting aside the Swarovski Crystal Pearls, Wirewrap them directly onto the ring. (Sometimes we use the ring half of a toggle clasp.
