

Zebra Black Sparkle Earrings (DI5)

Zebra Sparkle Earrings

Make these easy earrings in 10 minutes or less.

They are elegant enough for any occasion and light weight. Our locking link makes them look like you bought them at a designer store.

You can use any of our other Fused Sparkle Pendants to create earrings and the larger size make beautiful pendants using the same technique.

Tools: Pliers

Skill Level: Basic Beginner

Items Required:

- 2 FUS-SPKL-RN-30-ZEBS16 Black Tigrato Silver Fused Round
- 2 F-SS-ORW28-25 Sterling Silver Earwire
- 2 F-SS057LNK10R Locking Sterling Silver Link

Step 1: Take the locking link and open (be careful not to open to wide).

Step 2. Put it through the hole and put your earwire on the ring.

Step 3. Close the link over the little knob.

Step 4. Use your pliers firmly close the hole over the knob.

PLEASE NOTE: Once you close the link, you cannot open again.

(Alternatively you can close the link and open the wire loop on your earwires if that's easier for you.)
